

Alberta Conference Adventist Single Adults Ministries and Christmas for a Single Mother and Family

For two years the Alberta Conference Adventist Single Adult Ministries has presented Christmas to a community Single Mother and her family. In 2014 six single adults in the Alberta Conference experienced unforgettable joy as they watched a single mother and her five children excitedly open the many gifts they presented to them. Our Blackfalds SDA Company shared the name of a community single mother with the ministry to present Christmas to. The Ministry followed up and made arrangements to bring supper with Christmas to the family on Monday, December 22, 2014. Gifts, food supplies and supper were loaded into six cars at the Conference Office then wound their way through the City of Lacombe, Alberta to the small house where the family lives. The mother and children ages 13, 11, 6 and 3-year old twins were very excited as they met us at the door and watched as we unload all the items. Supper was served followed by the excited opening of many gifts. Yes, this truly was a very special event both for the single adults presenting Christmas and for the family that received Christmas. And remember the words of the Lord Jesus, that He said, 'It is more blessed to give than to receive.' Acts 20:35
